

ADAPTED RECONCILIATION SCRIPT

Acknowledgement of Sins

The “I Am Forgiven” manipulative board will be on the table with foam pieces out.

Father has foam piece #4 in his hand.

Father hands the Orange Foam Board to the child or prompts them to use it.

The child one-by-one places each of the **three** pieces into the board as they say, “Sometimes I make bad choices. I know I’m wrong. I say I’m sorry.”

“Bad choices are sins. Do you have any bad choice cards for me?” (Each card has the sin on it)

Father can review the cards with them if he chooses. A manila envelope will be provided to deposit the bad choice cards.

Act of Contrition

Father holds up or points toward the blue “Adapted Act of Contrition” board. Father says,

“Now say your Act of Contrition.”

The child will read it from the board and/or point to each image.

Absolution

Father says the prayer of absolution.

Father hands the child the last foam piece #4 and says,

“Your Sins are forgiven!”

The child says, “I’m forgiven” and places the foam piece in the board.

Penance:

(At Father’s discretion)

Father takes the foam board from the child and removes pieces for the next child.
